Organograph

Processes: Principal is the administrative head of the College. He manages all activities through different heads of departments, Deans, Registrar, Finance Officer and Accountant. The academic function is managed through the Heads, Professors, Associate Professor, Assistant Professors. The Librarian manages library with the coordination of HOD's, staff and accountant. The Purchases of equipment's and consumables are done as per budget provisions with the help of stores and accounts.

Semester wise an academic planning is done in a staff meeting deciding the course of activities and policies for the term to achieve academic improvements and student culture. A feedback from students about their faculty is taken semester wise and the performance of the staff is assessed taking this as one of the element of staff assessment.

The Management committee reviews the frequently activities through its meetings and gives directions about the policies and purchases for further actions. The management decides the budget for the ensuing year.

Annual general meeting of the society is held once or twice in year where the review of all institutes is taken and the decisions for the next year plans are taken.

Student Feedback Mechanism on Institutional Governance /Faculty

Performance

Every semester student feedback for faculty and institution is taken on a random day and in a decided manner. The feedback is assessed and reviewed by Principal, HOD and concerned staff and steps are taken to improve the situation. After analysis the explanatory notes are issued to each faculty for further improvement.

This feedback mechanism has helped to improve the quality of delivering of course content, Students-Teachers relationship and ultimately quality of Technical Education in the eyes of the students, parents and society.

Grievance Redressed Mechanism For Faculty/Staff/Student

The grievances of the students are settled through the concerned head of the department, faculty / staff and student along with his/her parent if needed. The common matters are discussed in the faculty/staff meeting as well as in the student council and agreeable solutions are decided as policy for the college working and presented to the managing committee for approval. Serious misdeeds are handled as per University act and procedure laid down by the management. The separate Women's Grievance Redressed committee is constituted.
