

R S C E Core Values

In the context of an enduring college-level commitment to teaching, research and service, the College holds the following core values:

- **Collaboration**

Collaboration is an important human activity that involves shared responsibility in promoting healthy, productive lives and educational success. We commit ourselves to work toward these goals in genuine partnerships with individuals, families, community agencies, schools, businesses, foundations, and other groups at the local, regional, national levels.

- **Ethical Leadership**

In all professions represented by the college, leadership is an essential component denoting ability and willingness to help lead professional practice to higher levels. We commit ourselves to practice ethical leadership through deliberate and systematic attention to the ethical principles that guide all leaders in a moral society.

- **Innovation**

We have a history of creating dynamic, innovative programs and we are dedicated to continue creating innovative approaches in all areas of our work. We commit ourselves to seeking new ways to advance knowledge, solve problems, improve our professional practice and expand on our successes.

- **Research-Based Practice**

The best practice in any discipline is based upon sound research and professional judgment. We commit ourselves to basing our instruction, scholarship and policy recommendations on well-established principles that, wherever possible, emerge from research and reflection on its implications for professional practice.

- **Social Justice**

Social justice embodies essential principles of equity and access to all opportunities in society, in accordance with democratic principles and respect for all persons and points of view. We commit ourselves to promoting equity, opportunity, and social justice through the college's operations and its missions related to teaching, research, and service.
